

What is U3A?

U3A is a unique and exciting organisation which brings older people together to learn, not for qualifications, but for its own reward: the sheer joy of discovery!

Members share their skills and life experiences: the learners teach and the teachers learn, and there is no distinction between them.

Teachers and learners come together in a friendly environment to enjoy whatever interests them. There are no exams or entrance qualifications. Classes are informal and everyone participates just as much as they wish.

Wynyard U3A started in 2015 and is one of ten such groups in Tasmania, over 100 in Australia and many thousands around the world. In our first year of operation, we will have offered courses in art, bird identification, creative writing, sustainable living, French, meditation and relaxation, cryptic crosswords, drama and theatre, fast walking and many other topics.
