Due to limited numbers in some venues, and to ensure that everyone has a fair and equal opportunity to take as many of the courses they choose as possible, we have divided the course list into two parts: Main Courses (more than one session) and Serendipity Courses (one session only).

Please list the **Main Courses** you wish to take in order of preference - 1 for your first choice, 2 for your second and so on. You will be given top priority for your first five choices, and places in the rest if they are available after the first priorities of others have been allocated.

1		6		11	
2		7		12	
3		8		13	
4		9		14	
5		10		15	

**Serendipity Courses:** We will be allocating more places to Serendipity courses than in previous terms, so should be able to take all comers. Even so, please list your choices in order of preference.

2		7		12	
3		8		13	
4		9		14
