Renewed Tutor/committee

I accept responsibility for my personal safety while participating in U3A Wynyard activities.

I have read, understood and accept all covid safe protocols put in place by U3AW.

My health issues have changed since my initial U3A membership, and I have updated my medical form.

I volunteer to assist as requested by U3AW in jobs such as set up and clean up when available

Session enrolments for this semester are on the back of this form.

Post or drop off your completed form or post to 2 Easton Ave, Wynyard, Tas. 7325 or email: u3awynyard@gmail.com Your enrolment choices will be confirmed by email, text or post.

Session and course enrolment.

Enrolment form Revised 6 Aug 2021 RC

Sessions/courses in blue print in the newsletter are capped, which means there are strictly limited numbers.

1. To ensure everyone has a fair and equal opportunity, you will only be allocated your preferred 5 capped courses in the first intake. **Please list any capped sessions or courses you wish to take in order of preference** – 1 for your first choice, 2 for your second and so on. You may enrol in as many as you like, but you will be given top priority for your first five choices only, and enrolled in the rest if there are places available after the first priorities of other people have been allocated.
2. **Please tick all other sessions or courses you are intending to attend, including specific sessions of Serendipity, Film Appreciation and Armchair Travel .** With space restrictions due to covid 19 regulations, we will confirm your place, or put you on the wait list. Although you are welcome to bring along a guest, you will need to contact the U3A committee to confirm a place is available.
